Shabaka's Stone Kaba Hiawatha Kamene 2021-03-26 habaka's Stone explores and explains many scientific theories on multi-dimensional levels. Shabaka's Stone tells us that we are born with everything we need to solve all of our life's challenges. Every human is born with a Messiah (Asar/Heru) and a Judas (Seten). Judas' job is to stop us from achieving our divine purpose. The Messiah's responsibility is to make sure that Judas is not successful. Life is the result of the balance of this relationship. The Messiah may fall down nine (9) times, but rises ten (10) times. The metaphor of the Asarian Drama. We are the Creator having a human experience. The Nun wanted to come into being. He/She tried countless times. Finally, one of her/his attempts succeeded and Ptah came forward and created Atum. Atum was consciousness and named all and every thing. This trinity began the beginning of time and continues to become to this day. Every day, when you wake up is like Ptah rising out of the Nun (state of unconscious). This energy conversion, waking you up initiates your simple and self-conscious state of thinking, realizing who you are coming up out of your sleep.

Soul Sex Al Link 2003-02-12 This is not only a book about Tantric practices, but also about how you can use them to create a life-long, loving relationship. Because Pala and Al's emphasis is on Tantra in relationships, both beginners and skilled Tantric practitioners will find value here. Through the authors' mix of ancient Eastern sexual practices and modern Western approaches to communication and intimacy, you and your partner will learn to connect in ways that are respectful, nourishing, and lusty. Pala and Al offer their relationship as a model for a successful, long-term relationship in which to be happy, fulfilled, and spiritually awakened. Soul Sex includes thought-provoking discussions, personal anecdotes, and precise but simple techniques to inspire you to apply to your daily life. The observations and exercises included are drawn from the authors' own heady partnership and from the hundreds of couples they have had the privilege to teach at their Tantra sacred sex workshops.

Sex Shamans KamalaDevi McClure 2020-02-04 20 transformative stories and sexual healing practices from international pioneers in the sexual shamanism movement • Reveals intimate details about how each sex shaman overcame personal struggles with heartache, jealousy, mental illness, or social shame to realize their calling as a sacred sexual healer • Includes 20 in-depth embodiment exercises such as soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling • Includes contributions from 20 diverse voices in the sexual shamanism community, all part of the mystery school ISTA: International School of Temple Arts Drawing on traditional and modern
practices, a sex shaman uses the power of erotic energy as a healing medicine. They channel divine love and embrace sexuality freely, practicing polyamory, sexual healing, and even sex magic. They teach tantra, trance dance, kundalini yoga, and other techniques for healing shame, guilt, fear, and sexual trauma. Designed to guide the reader on a journey into their own sacred sexual awakening, this book shares true stories from 20 visionary pioneers in the sexual shamanism movement, all of them associated with the International School of Temple Arts (ISTA), a mystery school that works to illuminate the path of sexual shamanism and heal the split between sex and spirit, release the shame surrounding sexual awakening, and inspire more sexual liberation around the world. The teachers reveal intimate details of their life stories and sexual awakening journeys, showing how, by surrendering to the wisdom of the erotic current of the universe, transformation occurs. Each story is accompanied by an in-depth embodiment exercise with step-by-step instructions, including soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling. Underlying these exercises is the belief that the body is a temple that opens with pleasurable worship so spirit may dwell more fully within. The 20 contributors include Baba Dez Nichols, Bruce Lyon, Crystal Dawn Morris, Dawn Cherie, Deborah Taj Anapol, Ellie Wilde, Janine Ma-Ree, KamalaDevi McClure, Komala Lyra, Laurie Handlers, Lin Holmquist, Matooka Moonbear, Mia Mor, Ohad Pele Ezrahi, Patrik Otterman, Raffaello Manacorda, Ria Bloom, Sean O’Faolain, Stephanie Phillips, and Stephen SouLove.

The Path of the Priestess Sharron Rose 2003-01-08 A guide for personal exploration of the path to the divine feminine and the spiritual power of women. • Reveals the essential role of women in creating and maintaining the psychic/energetic/emotional landscape of society. • Explores feminine roles and the archetypal model of the Great Goddess from both Eastern and Western spiritual traditions. • Includes exercises, meditations, and visualizations drawn from ancient techniques to assist women with their spiritual awakening and self-realization. The Path of the Priestess takes readers on a journey deep into the heart of the feminine experience. It describes the author's years of first-hand experience in the ancient arts of Tantra, Dzogchen, and Indian and Egyptian temple dance and healing, as well as her research into the feminine principle in the mystic teachings of the Alchemists, Hebrew Kabbalists, and Christian Gnostics. Beginning with an analysis of the basic issues and frustrations inherent in contemporary society's conditioning of and expectations for women, readers travel back in time to the age of the great temples, schools, and sacred societies in which women still held and transmitted the spiritual light that nourished all of civilization. Through its mythic and historic tales, descriptions of sacred ritual practices, and teachings on the Goddess traditions, The Path of the Priestess provides contemporary women with the means to enter this time-honored path. In keeping with the experientially based teaching methods of these traditions, it also offers exercises and visualizations designed to align women with the powerful, sensuous, and loving energies of the most profound feminine role model that shaped and preserved culture and society—the Great Goddess.

The origins of Yoga and Tantra Geoffrey Samuel 2008-03-27 Yoga, tantra and other forms of Asian meditation are practised in modernized forms throughout the world today, but most introductions to Hinduism or Buddhism tell only part of the story of how they developed. This book is an interpretation of the history of Indic religions up to around 1200 CE, with particular focus on the development of yogic and tantric traditions. It assesses how much we really know about this period, and asks what sense we can make of the evolution of yogic and tantric practices, which were to become such central and important features of the Indic religious scene. Its originality lies in seeking to understand these traditions in terms of the total social and religious context of South Asian society during this period, including the religious practices of the general population with their close engagement with family, gender, economic life and other pragmatic concerns.

The Serpent Power Muata Abhaya Ashby 1997-01-01 THE SERPENT POWER: The Ancient Egyptian Mystical Wisdom of the Inner Life Force. This volume shows how the discipline of spiritual evolution through life force cultivation-known as Kundalini in India- was actually known about and practiced in ancient Egypt-Africa thousands of years before. This Volume specifically deals with the latent life Force energy of the universe and in the human body, its control and sublimation. How to develop the Life Force energy of the subtle body. This Volume will introduce the esoteric wisdom of the science of how virtuous living acts in a subtle and mysterious way to cleanse the latent psychic energy conduits and vortices of the spiritual body.

Tao Tantric Arts for Women Minke de Vos 2016-07-01 Awaken sexual energy for radiant love and empowerment, healing of emotional trauma and chronic conditions, and celebration of each stage of a woman’s life • Reveals how to channel sexual energy to experience the 3 kinds of female orgasm, clear trauma, and heal issues related to PMS, menopause, and libido • Details how to perform breast self-massage, jade egg yoga, yoni articulation, and Universal Healing Tao work such as the Inner Smile and...
Ovarian Breathing • Includes solo and partner practices for conscious energy exchange, intimacy building, unconditional love, and activating your multi-orgasmic potential. Through the Taoist tantric arts, women can experience the full flowering of their sexual energy. Rooted in Chinese energy medicine, Universal Healing Tao practices, and ancient Taoist traditions from the Yellow Emperor and his three female advisors, these practices honor and celebrate each stage of a woman's life and allow women to awaken their genuine feminine sexuality—receptive, soft, sensitive, intuitive, and creative—rather than the masculine approach that focuses on strength, endurance, and control. In this comprehensive guide to Taoist tantric arts for women, author Minke de Vos reveals how to channel natural sexual energy to evolve the Divine within and heal deep-rooted negative emotions and traumas related to sexuality. She explores techniques from the Universal Healing Tao system, such as the Inner Smile and Ovarian Breathing, to cleanse the uterus of negative emotions and fill your creative center with compassionate vibrations. She offers sexual energy practices to prevent chronic conditions like cancer, depression, and osteoporosis and heal issues related to PMS, menopause, and libido. She explains how to experience the three different kinds of female orgasm and provides detailed, illustrated instructions for exercises such as breast self-massage for emotional transformation and jade-egg yoni yoga to strengthen the pelvic floor and stimulate inner flexing and articulation. She offers evocative meditations to connect with the Goddess within and embrace the innate sexiness at each stage of life. Including solo and partner practices for conscious energy exchange and intimacy building, Minke de Vos's detailed guide to cultivating female sexual energy allows you to ease the passage through the menstrual cycle, pregnancy, and menopause; harmonize your relationships; and merge your inner male and female energies into wholeness.

Sacred Sexuality Zayne Francis 2020-10-07 Through the rise of our industrial, digitalized society, pornography has settled its place within us to the point of its normalization. How this has affected us is unprecedented. This has progressively destroyed too many men, relationships, and families to count. Yet, throughout our hyper sexualized society, these problems are rarely addressed. Little did we know, we had been breeding the problems we're now experiencing within our relationships and lives. Relationship connections have lost their potency, emotional connection, and polarity. Through outsourcing our sexual energy with indulgences like pornography, men are binding closer and closer with their unresourceful pornography pleasures, projections, and fantasies. This is instead of being fully immersed, solidified in love, and devoted in the polarity of their relationship union. Men are losing their inner ground, virtues, and higher ideals, to their carnal indulgences. They are heavily subjugated to porn, serving an unconscious master as a slave to the sensations of worldly pleasure. This limits the fullest expression of ourselves in our lives, and prohibits us from formulating true relationship bonds and connections through love. Pornography and the sexual perception planted within us is separate from love. This is the downfall of us, and our core unified relationship bonds, founded on trust and virtue. Sacred Sexuality focuses on a true remedy for these infiltrations. It will catapult you into a newfound sense of life and relationship through the transformation offered to reconcile these deeply held energies and emotions. The feelings of shame, guilt, fear, and doubt, all absorbed through porn, behave in the same ways as real sexual trauma. You're filling up on them, storing, and suppressing them, only for them to build within your shadow, as well as your body and your mind. This manipulates your actions, thoughts, and feelings. Subconsciously, this reflects even your life's situations and circumstances. The good news is, the purging process of these deeply held energies, emotions, and ties within us, reflects the same healing processes as sexual trauma. This book is a multilayered backbone to walk you through properly addressing and purging these traumas. It will fully support you through fully releasing these energies and emotions from your body, mind, and relationship forever. It provides an extremely deep look into the inner workings of your relationship, self, and life, to not only understand, but heal in all areas. This book doesn't leave out a single detail or problem that's a byproduct of pornography within us, our society, relationships, and families, and holds all the remedies. If you're ready to quit porn forever, you've found the right book. This is my attempt to revive the true sacredness within our human sexuality, between men and women, and bring back order within ourselves, relationships and families. This is the war on pornography. This, is our Sacred Sexuality.

The Sacred Sex Bible Cassandra Lorius 2011-11 The Sacred Sex Bible is a comprehensive illustrated guide
to sex and spirituality, which looks at historical and cultural currents in sexuality and the influence of both Western and Eastern traditions. From pagan rites to neo-Tantra (Tantra in the West) there are examples of sexual practice and rituals, along with exercises on breathing and visualization as pathways to sacred sex, or blissful union with the divine.

Sacred Sexuality in Ancient Egypt Ruth Schumann Antelme 2001-10-01 • The first book to fully explore the sexual philosophy and practices of the ancient Egyptians • Lavishly illustrated with erotic scenes from papyri that have long been hidden from the public • Clarifies the connection of sacred sexuality to Egyptian cosmic symbolism Until recently the forbidden papyri, whose explicit illustrations of Egyptian sexual practices were judged too shocking, were off limits to all but a few scholars. In this book, the first to fully explore Egyptian sexual philosophy and practices, Egyptologist Ruth Schumann-Antelme provides us a new view of the provocative sexual life of the ancient Egyptians. Richly illustrated throughout, Sacred Sexuality in Ancient Egypt explains the symbolism of the erotic images found on the inner walls of the temples and tombs as well as those carved into pieces of limestone and sketched on papyri. The authors cover in detail the astonishing erotic scenes illustrating the Turin Papyrus, which have long been kept from public view. These papyri reveal in great detail Egyptian attitudes about love, religion, and even medicine, as well as specific sexual practices.

Sacred Sexuality in Ancient Egypt reveals the intimate details of a society in which sexuality was the dynamic principle of the divine world, and the cosmic symbolism of religion imbued every level of Egyptian society with sexual significance.

Includes more than 100 illustrations of documents and scientific objects.

The Perfect Matrimony Samael Aun Weor 2012-05-01 "Love is the highest religion..." - Samael Aun Weor If you only want one book about real spiritual practice, The Perfect Matrimony has everything you need. Prepare yourself for a spiritual revolution. In fact, this book is so powerful that because of it, in 1950 the Catholic Church had Samael Aun Weor jailed. They accused him of “offending the public and healing the ill.” The Perfect Matrimony is a complete introduction to the profound and beautiful mystical knowledge from which all the world’s great religions have blossomed. There is a sacred teaching, the source of the secret teachings of Judaism, Christianity, Buddhism, Taoism, Hinduism, Alchemy, Tantra, Kabbalah, and the mysteries of the Mayans, Aztecs, Egyptians, Tibetans, Eleusinians, Essenes, and hundreds more. All of them have a sexual secret. All of them came from the same root knowledge. The Perfect Matrimony explains how to solve the problem that originated with Adam and Eve: an event clearly rooted in sex. Jesus also taught how to solve this problem (his first miracle was at a wedding, after all), but the church edited his teachings. When Samael Aun Weor publicly revealed the true teachings, the outraged church had him imprisoned in an effort to repress what he revealed. Everything that lives was created through sex. Just the same, the soul is created through sex, but not the sex of the common person. To create divinity, one must understand divine sexuality. Such knowledge has always been preserved in secret, held safely for those who demonstrated their ability to use it properly. Now, for the first time in history, that knowledge has been revealed openly: this book, originally published in 1950, marked its first public appearance. "Love is the highest religion..." - Samael Aun Weor, The Perfect Matrimony (1950) With the explanations in this book, you will understand not only many seemingly vague and incomprehensible scriptures, but also how all genuine spiritual practices work. After reading this book, religion and sex make sense. Moreover, you will see that religion is not found in organizations, buildings, or books, it is found in the heart that is enflamed with divine love.

Meditation Muata Ashby 1997-04 MEDITATION The Ancient Egyptian Path to Enlightenment Many people do not know about the rich history of meditation practice in Ancient Egypt. Stealing Fire from Heaven Nevill Drury 2011-03-02 The Western magical traditions are currently undergoing an international resurgence. In Stealing Fire from Heaven, Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems. Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such diverse sources as classical Greco-Roman mythology, Celtic cosmology, Kundalini yoga and Tantra, shamanism, chaos theory, and the various spiritual traditions associated in many different cultures with the
Universal Goddess. Drury traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred—a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as “stealing fire from heaven.” Considered in this light, Drury argues, modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm.

Alchemical Tantric Astrology Frederick Baker 2021-06-01 • Shows how the astrological cycle around the signs of the zodiac represents the alchemical transformation of consciousness and chakra awakening • Expands the meaning of each astrological sign based on its association with the chakras and the alchemical transmutation cycle from lead to gold • Offers sample chart analyses to show how you can discover your spiritual challenges and opportunities Demonstrating the connections between astrology, alchemy, and yoga, Frederick Baker reveals how he discovered their correspondences by rotating the natural order of the zodiac, placing Aquarius and Capricorn at the bottom and Cancer and Leo at the top, to reflect the alchemical order of metals from lead to gold. is Alchemical Tantric Arrangement then revealed a corresponding alchemical order of the seven traditional planets—from Saturn (lead) to Sun (gold)—and also aligned with the seven chakras, the three major energy channels (nados) of the Tantric yoga system, including the channel through which Kundalini energy rises from root chakra to crown chakra. Baker uses these rediscovered correspondences to expand the meaning of each astrological sign based on their association with the chakras, the alchemical transmutation cycle from lead to gold, and the wisdom of ancient myth. He also offers expanded meanings for each chakra in association with the twelve signs of the zodiac and their ruling planets as well as new insights into the influence of Chiron and Eris. The author provides a complete analysis of his own birth chart as well as Alchemical Tantric Astrology insights into significant events over the past few decades, including the intense changes of 2020. Baker’s revolutionary new take on our individual spiritual journeys shows how the astrological cycle around the signs of the zodiac represents the alchemical and Tantric transformation of consciousness and the natural path of spiritual unfolding.

Hanuman Chalisa Demystified: Ancient Kriya Yoga Tantric Scripture Chandra Shekhar Kumar 2017-07-01

Ancient Kriya Yoga Tantric Scripture : Commentaries on Hanuman Chalisa as seen by The Divine Third Eye. This book is an outcome of inner revelations of mystical meanings of Hanuman Chalisa. Penning down itself was full of eternal vibrations which resembled as if being dictated by a Siddha. This journey was full of inexplicable ecstasy and joy, laced with complete surrendering to witnessing the state of Hanuman. It depicts transcendental qualities and attributes of this state in its totality. This body is just an instrument of meditation and the individual is nothing, the individual have nothing. Hanuman is a special state of Siddhas, the qualities of which are described by Hanuman Chalisa. A Sadhaks passes through infinite number of states during his Sadhana. Period of stay in any state varies depending on the peculiarities of that state as well the predicament of the Sadhak. During this course, the outer symptoms may not be described and grasped as aptly as inner symptoms. Outer symptoms like trembling and/or levitation of body often lead to bewilderment and amusement of the beholder. Whereas being in the same state, it leads to calm acceptance and grasp of what is happening to someone else being in that state. Hence irrespective of the peculiarities and idiosyncrasies associated with various paths, the Sadhak finds himself in a special state all of a sudden, often termed as being at one place in Siddha Loka. Gradually, he realizes that there are infinite such states, hence places in Siddha Loka, one of which is Hanuman. It becomes clear to him that practice (Sadhana) is gradual, but being in any such state is all of a sudden, involuntary ones during early stages of Sadhana. There is no single prescribed path for Sadhana, simply because it varies from Sadhak to Sadhak, the root of which is often buried deep in one's Providence(Prarabdha). Hence no matter which path a Sadhak adopts for his journey to start with, he will get aligned to the best path, most suitable one for him, in due course of time, gradually. The single most important key is : Continue seeking in with utmost Sincerity and Devotion. Historians often attribute the composition of Hanuman Chalisa to Goswami Tulsi Das, whereas a Sadhak realizes, when time is ripe for him, that the particular Shabda is eternal, ever present, everywhere, perceptible to one only when one is ready during his course of Sadhana, including listening to these being chanted/sung by Siddhas, all the time. The book is dedicated to all Sadhakas.

Sacred Sexuality Georg Feuerstein 2003-11-14

A historical, cross-cultural survey of sexuality as a sacred spiritual practice • Examines sacred sexuality in the world's religious and mystery traditions • Explores contemporary “sexual stress syndrome” resulting from the absence of the sacred in sexual practice • Reveals how to find the sacred in the ordinary This book examines the history of sexuality as a sacramental act. In spite of our culture's recent sexual liberalizations, sexual intimacy often remains unfulfilling. Georg Feuerstein instructs that the fulfillment we long for in our sex lives can only be attained once we have explored the spiritual depths of our erotic natures. Feuerstein delves into a wide variety of spiritual traditions— including Christianity, Judaism, goddess worship, Taoism, and Hinduism—in search of sacred truths regarding sexuality. He reveals that all of these great teachings share the hidden message that spirituality is, in

sacred-sexuality-ancient-egyptian-tantric-yoga
essence, erotic and that sexuality is inherently spiritual. From the erotic cult of the Great Mother and the archaic ritual of hieros gamos (sacred marriage) to the institution of sacred prostitution and the erotic spirituality practiced in the mystery traditions, Feuerstein offers a wealth of historical practices and perspectives that serve as the bases for a positive sexual spirituality suited to our contemporary needs.

The Yoga of the Nine Emotions Peter Marchand 2006-04-21 A guide to changing negative emotions and promoting happiness using traditional Tantric and Ayurvedic practices • Details the 9 Rasas that represent our basic emotions • Offers emotional fasting exercises and daily routines for emotional well-being • Shows how Rasa Sadhana can be integrated with other yoga practices • Based on the teachings of Harish Johari

Rasas are the essence of our emotions that exist in both the body and the mind. The Tantric tradition recognizes 9 Rasas that represent our basic emotions: love, humor, wonder, courage, calmness, anger, sadness, fear, and disgust. Those who practice Rasa Sadhana learn to overcome negative emotions in order to pursue better health, enhanced spiritual growth, and enduring happiness. Our emotions are continuously affected by the interplay of our senses, the elements, food, and the life force in our body. In The Yoga of the Nine Emotions, Peter Marchand offers many practical physiological and philosophical tools from Tantric and Ayurvedic traditions that can help readers change their emotional patterns. He explains the nature and purpose of each Rasa and how we can strengthen or weaken one Rasa through another. He also offers Ayurvedic cooking guidelines and daily routines for balancing sensory input and strengthening emotional health, including fasting from negative emotions as well as how to energize positive ones. As we master our emotions through the practice of Rasa Sadhana, we gain true control of our lives and our relationships with others.

Roots of Yoga James Mallinson 2017-01-26 "An indispensable companion for all interested in yoga, both scholars and practitioners" Professor Alexis G. J. S. Sanderson Despite yoga's huge global popularity, relatively little of its roots is known among practitioners. This compendium includes a wide range of texts from different schools of yoga, languages and eras: among others, key passages from the early Upanisads and the Mahabharata, and from the Tantric, Buddhist and Jaina traditions, with many pieces in scholarly translation for the first time. Covering yoga's varying definitions, its most important practices, such as posture, breath control, sensory withdrawal and meditation, as well as models of the esoteric and physical bodies, Roots of Yoga is a unique and essential source of knowledge. Translated and Edited with an Introduction by James Mallinson and Mark Singleton

Sacred Sexuality Georg Feuerstein 1992 Based on a vast diversity of religious and spiritual traditions, this comprehensive exploration of sexuality's spiritual dimensions uncovers deeply hidden messages about sexuality and shows how to incorporate the concepts of Hinduism, Christianity, Judaism, and other philosophies into our lives. Egyptian Yoga Muata Ashby 2006-01-01 EGYPTIAN YOGA The Postures of The Gods and Goddesses Discover the physical postures and exercises practiced thousands of years ago in Ancient Egypt which are today known as Yoga exercises. Discover the history of the postures and how they were transferred from Ancient Egypt in Africa to India through Buddhist Tantrism. Then practice the postures as you discover the mythic teaching that originally gave birth to the postures and was practiced by the Ancient Egyptian priests and priestesses. This work is based on the pictures and teachings from the Creation story of Ra, The Asarian Resurrection Myth and the carvings and reliefs from various Temples in Ancient Egypt 8.5" X 11"

African Origins Muata Ashby 2006-01-01 THE AFRICAN ORIGINS OF CIVILIZATION, MYSTICAL RELIGION AND YOGA PHILOSOPHY 81/2" X 11" Part 1, in one volume First Edition Three volumes in one. Over the past several years I have been asked to put together in one volume the most important evidences showing the correlations and common teachings between Kamitan (Ancient Egyptian) culture and religion and that of India. The questions of the history of Ancient Egypt, and the latest archeological evidences showing civilization and culture in Ancient Egypt and its spread to other countries, has intrigued many scholars as well as mystics over the years. Also, the possibility that Ancient Egyptian Priests and Priestesses migrated to Greece, India and other countries to carry on the traditions of the Ancient Egyptian Mysteries, has been speculated over the years as well. In chapter 1 of the book Egyptian Yoga The Philosophy of Enlightenment, 1995, I first introduced the deepest comparison between Ancient Egypt and India that had been brought forth up to that time. Now, in the year 2001 this new book, THE AFRICAN ORIGINS OF CIVILIZATION, MYSTICAL RELIGION AND YOGA PHILOSOPHY, more fully explores the motifs, symbols and philosophical correlations between Ancient Egyptian and Indian mysticism and clearly shows not only that Ancient Egypt and India were connected culturally but also spiritually. How does this knowledge help the spiritual aspirant? This discovery has great importance for the Yogis and mystics who follow the philosophy of Ancient Egypt and the mysticism of India. It means that India has a longer history and heritage than was previously understood. It shows that the mysteries of Ancient Egypt were essentially a yoga tradition which did not die but rather developed into the modern day systems of Yoga technology of India. It further shows that African culture developed Yoga Mysticism earlier than any other civilization in history. All of this expands our understanding of the unity of culture and the deep legacy of Yoga, which stretches into the distant past, beyond the Indus Valley civilization, the earliest known high culture in India as well as the Vedic tradition of
Aryan culture. Therefore, Yoga culture and mysticism is the oldest known tradition of spiritual development and Indian mysticism is an extension of the Ancient Egyptian mysticism. By understanding the legacy which Ancient Egypt gave to India the mysticism of India is better understood and by comprehending the heritage of Indian Yoga, which is rooted in Ancient Egypt the Mysticism of Ancient Egypt is also better understood. This expanded understanding allows us to prove the underlying kinship of humanity, through the common symbols, motifs and philosophies which are not disparate and confusing teachings but in reality expressions of the same study of truth through metaphysics and mystical realization of Self.

Kalyana Malla 2013-10

The Ananga Ranga (Stage of Love) or Kamaledhiplava (Boat in the Sea of Love) is an Indian sex manual written by Kalyana Malla in the 15th or 16th century AD. The poet wrote the work in honor of Lad Khan, son of Ahmed Khan Lodi. He was related to the Lodi dynasty, which from 1451 to 1526 ruled India. Later commentators have said it is aimed specifically at preventing the separation of a husband and wife. This work is often compared to the Kama Sutra, on which it draws. It was translated into English in the year 1885, under the editorship of Sir Richard Francis Burton. "Satisfaction and enjoyment comes for a man with possession of a beautiful woman. Men marry because of the peaceful gathering, love, and comfort and they often get nice and attractive women. But the men do not give the women full satisfaction. The reason is due to the ignorance of the writings of the Kamashastra and the disdain of the different types of women. These men view women only from the perspective of an animal. They are foolish and spiritless." The work was intended to show that a woman is enough for a man. The book provides instructions in how a husband can promote the love for his wife through sexual pleasure. The husband can so greatly enjoy living with his wife, that it is as if he had lived with 32 different women. The increasingly varied sexual pleasures are able to produce harmony, thus preventing the married couple from getting tired of one another. In addition to the extensive catalogue of sexual positions for both partners, there are details regarding foreplay and lure.
